Please find below and/or attached an Office communication concerning this application or proceeding.

Continuation of 2: NOTE: The amended claims have new features including a monitoring step monitoring a physical condition of a user, and a control step changing on each display device a display of a virtual space of the user to a display of a virtual space for rest when it is determined that the user should take a rest based on a result in the monitoring step. These new features require further searching/consideration.
